

Home Ownership - Habitat for Humanity of Okaloosa County

Service Type

Housing
Counties
Okaloosa

Habitat makes homeownership possible for hard-working families. They are able to get a mortgage at low cost. It is for those who would otherwise be living in poor housing. Families are able to gain a sense of pride as they become part of a safe, thriving community.

Habitat does not discriminate in the areas of race, religion, gender, handicap or national origin.

The first step towards qualifying for a home is to meet the ten basic Pre-Qualifications. Then you send the required information to the Habitat office.

Please see the website for more information.

Service Location

99 Eglin Parkway,
Suite 11
Fort Walton Beach, FL 32548
United States

Provider

Habitat for Humanity of Okaloosa County

URL

<http://restorefb.org/>

Habitat makes owning a home possible and affordable for hard-working families. It is for those who otherwise would find themselves living in poor conditions. They are able to gain independence and stability along with a sense of pride as they join a safe, thriving community.

There is also Habitat ReStore, a place where people can donate household items or buy them at a greatly reduced price. Proceeds from the sales of the items help buy supplies to build another Habitat house.

Please see the website for more information.
