

[Mental Health Services - Adapt Behavioral Services](#)

Adapt Behavioral Services has treatments that build on the strengths of each person. This is done by giving support and helping with new ways to change their lives for the better. Treatment is customized to each person to best fit their needs. They have services over telehealth. You can also meet in-person. This can be at home, at school, or at their office. Please call or visit the [website](#) for more information.
