

## **Disease Control - Manatee Co. Health Dept.**

This program works to prevent outbreaks of disease in the community. This division can test for diseases and parasites by a doctor's request. Disease outbreaks are monitored and sources are tracked. Please see <u>website</u> to learn more.

941.748.0747, Ext 1272

## Provider

URL https://manatee.floridahealth.gov/index.html

The role of public health is to promote and protect the health and safety of all Floridians.

This is done by: detecting, investigating, and preventing the spread of disease; ensuring that health care practitioners meet the requirements for providing adequate care; identifying health risks in the community; informing the public on health issues; maintaining a safe and healthful environment; promoting healthy lifestyles; providing primary care for individuals with limited access to such care from the private sector;
