

## **Bradford County Health Department - Immunizations**

The BCHD offers vaccinations for all ages. They are free to all children through age 18, as Florida law requires immunization for daycare/school. Vaccines prevent serious and/or deadly diseases.

Adult immunizations include Tetanus, Measles, Mumps, Rubella, Hepatitis A & B, Pneumonia and the Influenza vaccine, when available. Adults may pay on a sliding fee scale. For adult pricing, please call 904.964.7732.

Please see the website for recommended [child](#) and [adult](#) immunization schedules.
