

## **WestCare Foundation - Turning Point**

Turning Point is an intervention and detox shelter. It provides services for the homeless with substance abuse issues. This shelter accepts inebriated adults directly from the street. It provides shelter and cold night shelter services to those who have not yet begun their journey towards recovery. Staff members offer supportive services, which may include referrals to other area agencies. Many clients transition into treatment at the Mustard Seed Inn. Please see the website for more information.
