

Reunification Program - Community of Hope

This group has a Reunification Housing program. The group works with Brevard Family Partnership. This program provides housing. It is for parents that the only thing left they need to reunite with their children is housing. Their children are being cared for by others through a court order. They must go through their case manager at Brevard Family Partnership. The parents must also meet basic qualifications for housing. Please call or visit the [website](#) for more information.
