Many families travel far from home to get treatment for their seriously ill or injured children. Often, it can be a long time to be away from home, or to divide a family. And for children facing a serious medical crisis, nothing seems scarier than not having their mom and dad close by for love and support. At Ronald McDonald House, parents can stay close while their child is in the hospital. They can stay at little or no cost.

**Services Include:**

- Home-cooked meals
