

Employment Assistance - Orange County Library System

The Orange County Library can help you in your search to find a job. The library can connect job seekers with resources at the library. They have books and classes to help you look for a job, learn how to use computers, write a resume, and do well in interviews. There are also links to community resources that could help.

Please call 407.835.7323 or click [HERE](#) to go to the website to learn more.
