

Charlotte County Human Services - Senior Services Programs

Service Type

Family Assistance

Elderly

Counties

Charlotte

The Aging and Adult Services division has staff that help older adults and those caring for them. The help is to remain active, safe, and independent. All while staying in their own homes. They do this by looking for goods, services, and in-home support that is needed. Staff is also knowledgeable about programs and services not directly run by the department. They are more than happy to provide information and guidance about these programs and services. Please call or visit the website for more information.
