

Housing Assistance - Central Florida Urban League

The [Central Florida Urban League](https://www.cful.org/) has counseling for home buyers. It gives clients one-on-one sessions that help them to meet their housing goals. The services include information and advice. They can help in areas such as pre and post-purchase counseling and mortgage default counseling. Clients can learn about financial management and other forms of housing assistance.

Through this Program, the Urban League deals with the housing needs of local residents. The Urban League is HUD-certified as a Comprehensive Housing Counseling Agency. The agency helps clients find safe and affordable housing. Their aim is for people to achieve home ownership while also working to prevent homelessness.

This agency was founded on August 5, 1977. The historic mission of the League has been to help and empower African-Americans. However, they now help anyone and everyone overcome obstacles that keep them from reaching their full potential.

Programs include homebuyer education and counseling. They have employment assistance, budget and credit counseling. They now have a GED college-bound program that is free. There are programs that benefit youth. There is a Workforce Job Training Program. They also have a crime prevention program.
