

HOPE Community Thrift Store - Hope Helps, Inc.

This thrift store helps people in many ways. If there is a family in crisis, they can provide them with everything to make their situation bearable. If they are homeless, once they are able to help them attain housing, HOPE can provide them with basic needs. A portion of the sales enables them to help families with aid such as: rent, utilities and car repairs.

Many agencies in the Central Florida area refer their families to HOPE. They need items such as clothing, shoes, household items, school supplies, furniture, bedding, infant items and more.

HOPE Community Thrift Store Hours
Monday - Saturday 9am-5pm

Service Location

812 Eyrie Dr
Oviedo, FL 32765

Hope Help's mission is to prevent and reduce homelessness in Central Florida. They help individuals and families to become self-sufficient through Housing, Outreach, Prevention, and Education.

Services include a food pantry and thrift store. They also have a resource center that helps with referrals and social services. Volunteers offer training courses on specific subjects. All of these services can be found at the Village of HOPE.

Please see the website for more details.
