

Brown Bag Program - The Volunteer Way

This is a program for Seniors who are homebound and low income. TVW delivers food and personal items during the third week of the month.

Seniors who are in this program can also get pet food for their cats and dogs.

The Volunteer Way helps those in need with boxes of food. They also assist food pantries with food. They are an ACCESS site where you can apply for Medicaid, Food Stamps, Emergency funds and Medicare Part "D". They also help with personal hygiene items.

Their Brown Bag program helps seniors with food during the third week of the month. They can also get pet food for their pets.

They also grow vegetables in their hydroponic garden.
