<https://www.lifeline.com/>

Lifeline is an easy-to-use personal response service device. It ensures that older adults and disabled persons living at home get quick help whenever it is needed. If you have a fall or medical emergency, you can get help quickly with the push of a button.

If you are on medication, you can also get their Medication Dispensing Service. It is a pill dispenser that emits a sound when it's time for your medication.

Please see the website for details.

Address

111 Lawrence St  
Framingham, MA 01702  
United States
