

DACCO - Drug Abuse Comprehensive Coordinating Office - Admissions

This agency has numerous services for those who have drug or alcohol dependencies. They have both inpatient and outpatient treatments. They have educational programs that have the aim of preventing drug and alcohol abuse.

Anyone can make a referral. New patients can walk in or make an appointment to do the initial assessment before being admitted. Each patient gets an individualized plan of action. Florida Medicaid and many insurance plans are accepted. There are payment plans for those who do not have insurance.

After treatment is complete, each patient gets follow up services.

There are inpatient residences for women, men and those going through drug detox. They have 24-hour, seven days per week supervision.
