

Women/Children and Family Shelter - Coalition for the Homeless of Central Florida

The Center for Women and Families is a 240-bed shelter at the Coalition's main campus. They serve single women, single women with children, single men with children, and intact families.

All who live in the Center are case managed. Case managers work with each client to establish a budget, along with a detailed self-sufficiency plan. This provides a link to services available at the Coalition. This includes LifeStrides, an education program through Orange County Public Schools.
