

## **Men's Shelter - Coalition for the Homeless of Central Florida**

The Men's Pavilion is a drop-in shelter that can house up to 375 men. It is the largest drop-in shelter for homeless men in Central Florida. Men who stay here can get a warm meal, showers, and a place to sleep for the night.

The Coalition is constructing a new Men's Service Center on its main campus. This 2-story shelter will replace the current Men's Pavilion. The Coalition plans to offer supportive services for up to 250 men in the new facility. It will raise the level of assistance for specialized populations, such as the physically disabled, military veterans, and First Steps Substance Abuse Recovery Program clients.
