## Bradford County Health Department - Environmental Health

Service Type  
Healthcare  
Health  
Counties  
Bradford

This agency provides monitoring and permits to places that provide public services. Their aim is to prevent the spread of disease to the general public. They regulate all public pools and bathing places. They inspect places that serve food (schools, daycares, bars, etc.). They look into problems such as sewage leaks, failing septic tanks and diseased animals.

Please see the website for all services.
