

## **Catholic Charities Jacksonville Regional Office - Pregnancy Counseling and Adoption Services**

This program has services for women with unplanned pregnancies. The services are designed to help protect the life of the child. They provide care and nurturing for women and children, and help to build up families as a woman decides whether a plan to parent or an adoption plan is the best choice for her child and for herself. The goal is to help, encourage, and accompany women in making positive and life affirming plans for themselves and their unborn child. Experienced counselors will help you learn more about your options.
