

Residential & Inpatient Services (Suwannee County) - Meridian Behavioral Healthcare, Inc.

Residential treatment is designed to meet each person's needs. The Sid Martin Bridge House helps people with serious addictions. A team of trained experts helps the residents on their recovery journey. The MIST program helps pregnant women with their addictions. The Recovery Center is for teenage boys who have problems with drugs or alcohol.

The Crisis Stabilization Units (CSU) are in Gainesville and Lake City. They help people with serious mental health problems for a short time. If needed, the person can stay longer for more treatment.

The Detox unit helps people who are going through withdrawal from alcohol or other drugs. This help is usually short-term.
