

Residential & Inpatient Services (Suwannee County)- Meridian Behavioral Healthcare, Inc.

Residential treatment is catered to each client's personal needs. The Sid Martin Bridge House is for people with serious addictions. A team of trained specialists support the resident's road to recovery. The MIST program offers pregnant women help with their addictions. The Recovery Center is for teen boys with substance abuse issues.

The Crisis Stabilization Units (CSU) are in Gainesville and Lake City. They provide short term stabilization for the most acute and serious mental health issues. When needed, the client may stay for longer term treatment.

The Detox unit serves those who may go through withdrawal from alcohol and other drugs. Services are usually short term.
