

[Hope Villages of America - Grace House Shelter](#)

Hope Villages of America's Grace House provides dignified apartment-style emergency shelter. It is for homeless families with children. They may stay for up to two months. Food, clothing and household goods are available to residents. Residents must be willing to secure employment and take part in weekly life skills classes. Upon completion of the program, families are eligible to shop at the RCS Thrift Store for furniture and household goods at no charge. Please call for more information.
