

[Neighborhood Care Network - Adult Day Care](#)

This adult day care provides social programs which assure a protective environment. Clients can also get preventive, remedial and restorative services. They are provided for functionally impaired adults in need of such care. The staff assesses each client and develops a care plan to address each person's needs. Please see the website for more information.

Neighborhood Care Network has been providing health and wellness programs to seniors and their families for 45 years. They started the first federally funded Meals on Wheels program in the United States in 1968. That same year, they opened the first Adult Day Care center in the nation. Please see the website for more information.
