

HEP - Emergency Housing

HEP offers up to 90 days of temporary housing and support services for those in need. The Emergency Dormitory provides beds for single adults. There is an emergency shelter for families. It includes 8 one-bedroom apartments. The Family Transition Program helps families get back on their feet and regain their self sufficiency. Please see the [website](#) for more information.

Services Include:

- Financial help with move-in costs and/or rent for qualified families
- Home-based case management for up to one year
- Links to community resources
- Stabilization services and rapid re-housing into independent housing
