

Goodwill - Accessible Housing

Goodwill Industries of Southwest Florida provides housing to persons with physical disabilities. This housing is income sensitive. And it is barrier-free. It offers the opportunity for independent living. Living that is both affordable and convenient. The housing is specially designed to meet the needs of people with physical disabilities. And it is built in areas that give easy access to daily needs. These include needs such as public transportation and shopping centers. As well as banks and schools. Applicants must meet medical and income requirements. And must pass a background check to be considered. Please call or visit the [website](#) for more information.
