

Early Steps Program-Children's Diagnostic & Treatment Center

The Early Steps Program helps infants and toddlers, age birth - 3, with developmental disabilities or delays. They will evaluate your child and help families get the services they will need. If you or anyone close to your child has expressed concern about not reaching their milestones - talking, walking, playing, interacting with others, please call 954.728.1101 or go to [website](#).
