

Community Home Health - Health Services

Community Home Health is a division of Northwest Florida Community Hospital. The program offers alternatives to extended hospital or nursing home stays. They provide skilled nurses, therapists, and/or certified home health aides in a person's home. A doctor's order is needed to begin care. However, the office can help in figuring out what steps a person needs to take to qualify for their services. Please call or visit the website for more information.

Services Include:

- Sweet Success Diabetes Care Program
- Gait Way Falls Prevention Program
- Wound Care (including dressing changes & cleaning)
- Medication and Diet Instruction
- Injection and IV administration
- Post-stroke Care and Education
- Disease Process Education
- Rehabilitation Services (Speech Therapy, Physical Therapy, and Occupational Therapy)
