The court system can be a frightening place for a child caught in a legal battle. This agency gives children a voice. GAL Staff and volunteers work together for the best interests of children who have been abused and involved in the court system. The goal is to ensure that they live in a safe and caring environment. Teens who are aging out of the foster care system can learn about their options as well. Volunteers are always needed. The website also has a store which benefits the GAL program. Please see the website for more information.
