

## **Low-Income Home Energy Assistance Program (LIHEAP) - Capital Area Community Action Agency**

The Low-Income Home Energy Assistance Program (LIHEAP) helps people pay their energy costs when they have an unpaid energy bill. The program works to help low-income families. For the first half of the month, LIHEAP gives priority to single mothers, those aged 60 or older, the disabled, and children under five years of age. All other clients are served the second half of the month. They can help every six months, once in the winter and once in the summer.
