

## <u>Suwannee Valley Community Coordinated Child Care - Head</u> Start

Head Start gives children early childhood education. Head Start provides health and nutrition services too. The Head Start program is intended to meet the individual needs of each child. It is designed to serve children ages 3 to 5. The 10-month program closely follows local school calendars. Please call or visit the website for more information.

Service Location

305 SW Dortch St Fort White, FL 32038 United States

## **Provider**

https://4cflorida.org/

Suwannee Valley Community Coordinated Child Care is called SV4Cs for short. The role of SV4Cs is to provide an environment that is safe, healthy, and nurturing for children and their families. This kind of environment lets each child develop at their own pace. The group aims to empower parents and provide them with continued support. Please call or visit the website for more information.
