

ARC Gateway - Pearl Nelson Center

The Pearl Nelson Center is run by ARC Gateway. It is the largest early intervention provider agency in the community for Early Steps. It includes different types of therapies. As well as developmental instructions services. Programs and services are for children. Those who have developmental and intellectual disabilities. These services are implemented in a family-centered approach. Parents learn to help promote their child's developmental and functional life skills. Participants in the program must have a referral. Through the Early Steps program. Please call or visit the website for more information.

Programs Available:

- Developmental Instruction
- Speech Therapy
- Physical Therapy
- Occupational Therapy

The ARC Gateway began as a one room classroom. That was created by a small group of local parents in 1954. It now offers life changing programs and services. These are for both children and adults. Those with intellectual and developmental disabilities. The programs and services give life-enhancing opportunities. Which promote independence and community inclusion. Please call or visit the website for more information.
