

<u>Suwannee Valley Community Coordinated Child Care - Early</u> Head Start

Suwanee Valley Community Coordinated Child Care (or SV4Cs for short) has an Early Head Start program. Early Head Start helps pregnant women and children from birth to age 3. Services are available year-round. They help infants and toddlers with their physical, cognitive, social, and emotional development. They also help parents to care for, and teach their growing children to be self-sufficient. Please call or visit the website for more information.

Service Location

876 NE Jackson Ave Lake Clty, FL 32025 United States

386.758.3251

Provider

https://www.sv4cs.org/

This group is called SV4Cs for short. The group works to provide an environment that is safe, healthy, and nurturing for children and their families. This kind of environment lets each child develop at their own pace. The group aims to empower parents and provide them with continued support.

Services Include:

- Early Childhood Development
- Health Services
- Parent and Family Engagement
- School Readiness
