

## Head Start - Suwannee Valley Community Coordinated Child Care

Head Start is a federally funded early education program. It is for children ages 3 to 5. It serves those from low-income families and children with disabilities. Call or visit the <u>website</u> to learn more.

Service Location

415 NE Bloxham Rd Mayo, FL 32066 United States

386.294.1903

## Provider

https://www.sv4cs.org/

This group is called SV4Cs for short. The group works to provide an environment that is safe, healthy, and nurturing for children and their families. This kind of environment lets each child develop at their own pace. The group aims to empower parents and provide them with continued support.

Services Include:

- Early Childhood Development
- Health Services
- Parent and Family Engagement

• School Readiness
