

Healthy Families - Brehon Family Services

Healthy Families is a free and voluntary home visiting program. It is for expecting parents. It is also for parents who have a newborn baby younger than three months of age. The services can be provided from three to five years. The length of the program depends on the needs and goals of the family. Please call or visit the website for more information.

Program provides:

- Basic infant care education
- Child and home safety education
- Child developmental screening and monitoring
- Family resources and referrals to community services
- Fun and educational activities for parents and babies using the latest research in brain development
- In-home parenting education
- Prenatal information, education, and birth preparation
- Support in setting and achieving family goals
- Well baby care and immunization education
