

Supported Employment - Division of Vocational Rehabilitation

The Supported Employment program by VR helps those with disabilities to find and maintain a job. VR offers continuing help from an employment specialist to work with your strengths, abilities, and interests. The program is for both youth and adults. VR will work with you to make sure you are earning the same rate of pay as your coworkers. There is also help for transportation and job training. Please call or visit the [website](#) to learn more.
