

## [After School Tutoring & Summer Enrichment - Guadalupe Center](#)

This group offers an after-school program. It offers tutoring and summer enrichment. It is for students in grades K-2. These students have scored below grade-level on county assessments. The program gives them extra attention. As well as the support they need to reach academic milestones. These milestones will help them be successful in school. The tutors are local high school students. Please call or visit the [website](#) for more information.
