

Find a Ride - Safe Mobility For Life

The FDOT runs the Safe Mobility for Life Program. One service they offer is called Find a Ride Florida. It offers seniors access to local medical and non-medical transportation options. This is to help make sure they can remain independent within their communities. Find a ride does not offer any services. The program just helps people find transportation providers in their area. Please call or visit the website for more information.

Service Location

122 Water Plant Road Port St. Joe, FL 32456 United States

850.229.6389

Provider

URL

https://www.fdot.gov/

The Florida Department of Transportation is known as FDOT for short. The mission of the group is to offer a safe transportation system. They want to ensure the mobility of both people and goods.
